

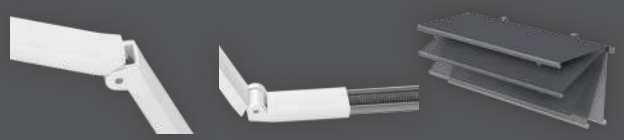
SIENA® ADVANTAGE

The Italian-inspired Siena® Folding Arm Awning (FAA) collection boasts a heritage of over 20 years and is designed to excel in the demanding Australian climate. The Siena® FAA range offers a premium aesthetic and exceptional performance.



UNIQUE 8-LINK STAINLESS STEEL CHAIN

Thicker and stronger for superior arm strength

HEAVY-DUTY INTERNAL SPRINGS

Positive arm and fabric tension for taut fabric skin

OPTIMAL PITCH ADJUSTMENT

Ensure perfect awning placement

SUN & UV PROTECTION

GLARE BLOCKING

HEAVY WEIGHT

ADAPTABLE SHADE

AUTOMATE YOUR LIVING SPACE

Paired with the latest technology – whether a remote control hand set, your own mobile phone or voice activation via wireless hub technology, motorisation is the ultimate upgrade to your Siena® Folding Arm Awning.

Works with IFTTT · LinxMotion · Connector+ · CRESTRON · Control4 · RTI · ELAN · WORKS WITH Siri · works with the Google Assistant · WORKS WITH alexa
