

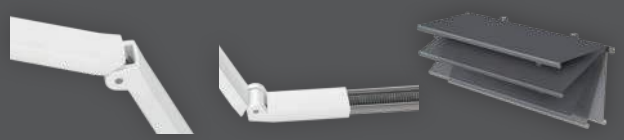
SIENA® ADVANTAGE

The Italian-inspired Siena® Folding Arm Awning (FAA) collection boasts a heritage of over 20 years and is designed to excel in the demanding Australian climate. Featuring standard front rail gutters across most models, the Siena® FAA range offers a premium aesthetic and exceptional performance.



UNIQUE 8-LINK STAINLESS STEEL CHAIN
Thicker and stronger for superior arm strength

HEAVY-DUTY INTERNAL SPRINGS
Positive arm and fabric tension for taut fabric skin

OPTIMAL PITCH ADJUSTMENT
Ensure perfect awning placement

SUN & UV PROTECTION

GLARE BLOCKING

HEAVY WEIGHT

ADAPTABLE SHADE

AUTOMATE YOUR LIVING SPACE

Paired with the latest technology – whether a remote control hand set, your own mobile phone or voice activation via wireless hub technology, motorisation is the ultimate upgrade to your Siena® Folding Arm Awning.

Works with IFTTT · LinxMotion · Connector+ · CRESTRON · Control4 · RTI · ELAN · WORKS WITH Siri · works with the Google Assistant · WORKS WITH alexa

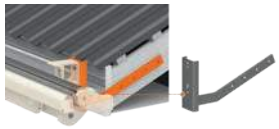
STANDARD

STANDARD WITH PITCH CONTROL

INSTALL OPTIONS

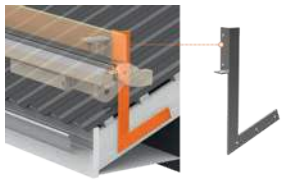


FASCIA FIT

Ties awning to the roof rafters for strength and stability.

FASCIA BRACKET AVAILABLE

» 10°, 22° and 30° options

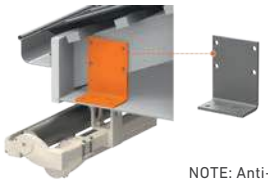


ROOF MOUNT

Lifts awning above the roof to increase installation height and allow for extra fall. Will require timber beam

ROOF BRACKET AVAILABLE

» 22° ONLY



EAVE/TOP FIT

Allows awning to be mounted under the eave when height isn't an issue.

NOTE: Anti-corrosive Geomet® coating used on all brackets

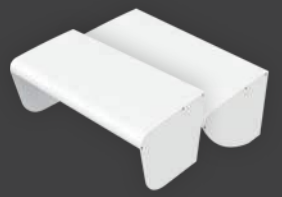
⊕ UPGRADE OPTIONS

LED LIGHTS IN ARMS

Fully integrated and dimmable LED lighting in arms, that plugs directly into AC power.

UPGRADE AVAILABLE WITH:

» 2, 3 and 4 arm awning sizes
» 2.5m / 3.0m / 3.5m projections
» White and Onyx colour options



EXTRUDED PELMET

Heavy-duty aluminium extruded pelmet. All weather protection that is robust and looks great.

Slide on fascia backing available to transform face fit pelmet to a fascia fit pelmet.

CUSTOM COLOUR

Use your imagination with any colour available. High-performance coatings to last a lifetime.
