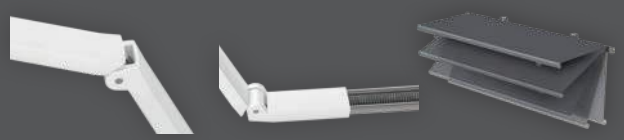
SIENA® ADVANTAGE

The Italian-inspired Siena® Folding Arm Awning (FAA) collection boasts a heritage of over 20 years and is designed to excel in the demanding Australian climate. The Siena® FAA range offers a premium aesthetic and exceptional performance.



UNIQUE 8-LINK STAINLESS STEEL CHAIN

Thicker and stronger for superior arm strength

HEAVY-DUTY INTERNAL SPRINGS

Positive arm and fabric tension for taut fabric skin

OPTIMAL PITCH ADJUSTMENT

Ensure perfect awning placement

SUN & UV PROTECTION

GLARE BLOCKING

HEAVY WEIGHT

ADAPTABLE SHADE

AUTOMATE YOUR LIVING SPACE

Paired with the latest technology – whether a remote control hand set, your own mobile phone or voice activation via wireless hub technology, motorisation is the ultimate upgrade to your Siena® Folding Arm Awning.

Works with IFTTT · LinxMotion · Connector+ · CRESTRON · Control4 · RTI · ELAN · WORKS WITH Siri · works with the Google Assistant · WORKS WITH alexa

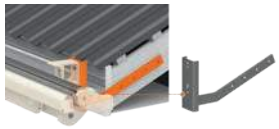
COLOURS	○ ● ⊕ CUSTOM

* Some sizes only † Fascia rafter fit requires timber beam which is not supplied
⊕ Upgrade option (at additional cost)

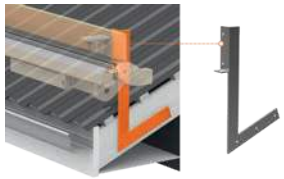
INSTALL OPTIONS



FASCIA FIT

Ties awning to the roof rafters for strength and stability. Will require timber beam.

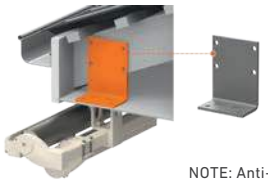
FASCIA BRACKET AVAILABLE
» 10°, 22° and 30° options



ROOF MOUNT

Lifts awning above the roof to increase installation height and allow for extra fall. Will require timber beam.

ROOF BRACKET AVAILABLE
» 22° ONLY



EAVE/TOP FIT

Allows awning to be mounted under the eave when height isn't an issue. Will require timber beam.

NOTE: Anti-corrosive Geomet® coating used on all brackets

⊕ UPGRADE OPTIONS

LED LIGHTS IN ARMS

Fully integrated and dimmable LED lighting in arms, that plugs directly into AC power.

UPGRADE AVAILABLE WITH:
» Awnings with a maximum width of 5m
» 2.5m projections only
» White and Onyx colour options

CUSTOM COLOUR

Use your imagination with any colour available. High-performance coatings to last a lifetime.
